Hard Disk Case 3.5”

Practical carry pouch for external hard drives up to 3.5” & equipment

Hard Disk Case 3.5“ from base_xx is the ideal transport solution for users of external hard drives.
The hard disk is safely transported in the padded compartment and is protected from scratches and blows.
Equipment such as power supply unit cable easily find room next to the hard drive and are protected, as well. Thanks to the zipper that runs on three sides, the equipment is stashed easily and in no time.
The separate front pocket offers additional storage room for accessories such as CD/ DVD and such.

Hard Disk Case 3.5“ is available in classic black and manufactured from durable material.

Prtotects your external hard drive from scratches and blows. separate front pocket for equipment. zipper on three sides: padded hard drive compartment. practical carry handle. durable material.
